पत्रांक: ए0बी0-पी0एम0जे0ए0वाई0 / पत्रा- Advisory / 2025-26 / 3358 लखनऊ : 30 मार्च, 2026

Advisory

This advisory is being issued by quashing earlier issued advisory No. Advisory/2025-26/Lucknow/1562 dated on 24.07.2025 issued by SACHIS regarding requirement of KFT/RFT reports, with the following updated instructions:

1. KFT/RFT Reporting Requirements

KFT / RFT reports must be conducted and uploaded at a minimum frequency of once every 30 days (post-dialysis). At the time of submission of dialysis claims on the TMS 2.0 portal, the KFT/RFT report must not be older than 30 days.

2. Eligibility Criteria for Performing PCNL

The procedure (PCNL) may be performed by: -

- General surgeons holding 2 years' fellowship in Urology from a Government-recognized university (prior to 2019-2020), or Fellowship from any national/international university or society recognized by the National Medical Council (NMC), India.
- General surgeons (M.S. or D.N.B. in Surgery) with a minimum of three (3) years of experience in Urology from a government-recognized Medical Institute/Medical University.
- Candidates holding M.Ch. or D.N.B. in Urology.

Yours sincerely,

(Archana Verma, IAS)
CEO, SACHIS

Copy for information and necessary action:

- Additional Chief Secretary, Medical, Health and Family Welfare, and Medical Education, Uttar Pradesh for kind perusal.
- All District Magistrates and all district Chief Medical Officers shall be requested to ensure implementation of aforesaid advisory.
- All empanelled hospitals
- Implementation Support Agencies: This advisory shall be shared with all private hospitals and shall strictly be followed by PPDs, CPDs of ISA since issuance date of this advisory.
- Medical Audit Committee Members and SAFU Doctors/AFOs of SHA for compliance
- State coordinator NHA for state of UP.
- Guard File
